PIPETMAN® L

- **Balanced weight and design for easy handling**
- **Reduced pipetting force**
- **Adjustable ejector button to suit left and right handed users**
- **Volumetric locking mechanism prevents accidental volume change during pipetting**
- **Single channel micropipettes available with metal or plastic ejector for working with corrosive samples**
- **2D code for easy traceability during handling and maintenance**
- **Variable volume micropipette fully autoclavable without disassembly**
- **Warranty: 1 year**

PIPETMAN® L - Single-channel variable volume

| Volume (µl) | Suitable tips | Increment (µl) | Metal ejector | | Plastic ejector | |
|----------------|------------------|---------------------|---------------|-------------|-----------------|-------------|
