

OneHand microtube rack

For opening microtubes with a screw cap with just one hand!

- Made of acetal-based polymer
- L x W x H: 293 x 115 x 39 mm
- Capacity 84 microtubes

For skirted microwtubes, they fit perfectly into the base of the rack and are held in place. Other types of microtube are held in the upper part of the rack by claws that grip microtubes with a grooved neck.
