

The originals

Duran® Borosilicate glass bottles

DURAN® borosilicate glass bottles are characterised by a very low coefficient of expansion and excellent resistance to thermal shock and chemicals.

- ▶ Duran® type I clear or amber glass
- ▶ With or without polypropylene screw cap with pouring ring
- ▶ Uniform wall thickness
- ▶ Autoclavable, sterilisable
- ▶ With traceability code to obtain a batch certificate on the internet
- ▶ Long-lasting printed graduations

Certificate and batch tracking for DURAN® bottles with GL45 : using the 8-digit special code written on the bottle, possibility of obtaining a certificate directly on the internet.
