

BIMOS technical seats (continued)

"Neon" seats

- A permanent contact mechanical structure or synchronous system
- 2 removable, interchangeable cushions
- Cushion coating to be chosen according to use (other coatings, please consult us)
- Cushion colour: standard black with orange border (other colours on request)
- Ergonomic and comfortable shape, wide at the bottom and narrow at the top
- Choice of 2 coatings:

Neon Faux leather filling :

- Washable, easy to clean, resistant to oils and disinfectants, soft and comfortable, very robust.

- Permanent contact backrest or synchronous system
- Individual backrest height and seat depth adjustment for perfect back support
- Delivered in kit, easy to assemble
- Other models, please contact us

Neon integral foam padding :

- extremely robust, washable, resistant to mechanical stress, spark-proof, not sensitive to light acids and easy to clean;
- recommended in environments where aggressive substances are handled.
